

When Should I Keep My Child Home?

Check and make sure your child is well (has no symptoms) *for 24 hours before* sending back to school after having the following sicknesses:

- Fever more than 100.5 (orally)
- New Rash
- Vomiting
- Diarrhea
- Crusty drainage from eyes or sores
- Deep, barking cough
- **Diagnosis of strep throat – must have received antibiotics for 24 hours before returning to school**

Help keep school a healthy place to learn.

Please call the school nurse at
367-7132 if you have any questions.
