

HOLLEY ELEMENTARY

Did you **KNOW** ?

Holley Elementary School opened in 1949, the same year that Mao Tse-tung proclaims The Communist People's Republic of China and Apartheid begins in South Africa. Rodgers & Hammerstein debut the musical "South Pacific" on Broadway.

PROPOSED PROJECTS AT HOLLEY ELEMENTARY IF THE BOND PASSES

Safety and security improvements including secure front entry and security lock system

Install hot water lines for hand-washing

Replace select single pane windows with energy efficient windows

Upgraded heating system controls to improve energy efficiency and reduce temperature variability to provide a more comfortable learning environment

If the bond passes, it is structured to not increase the tax rate

The proposed \$4 million bond, if passed, would be structured to not increase the current bond tax rate of \$1.62 per \$1,000 of assessed value. Debt service payments for the proposed bond would largely replace debt service payments that were eliminated when the district refinanced a 2001 voter approved bond at lower interest rates eliminating over \$5 million in debt service payments.

Actual tax rates may differ, depending on interest rates incurred and change in assessed value.

Depending on interest rates, a final partial year payment may be necessary during the 2029-30 fiscal year at a tax rate that is less than the current bond tax rate before all district bonds are fully paid off.
