

## Talented and Gifted Referral Form

A Screening Pool of students is developed from teacher, parent or self nomination and by test scores from nationally normed tests given in the district such as The Oregon Assessment of Knowledge and Skills (OAKS) or the RAVEN Test of Non-verbal Intelligence. By State Mandate we identify **academically talented** students and/or **intellectually gifted** student by multiple criteria.

Criteria for **academically talented** students-scores from the past two years considered.

- A. Current score - 97th percentile or above on nationally normed tests such as the OAKS test in Total Reading and Total Math.
- B. A second score of 90<sup>th</sup> percentile or above on a normed test.
- C. Behavioral, learning and/or performance information from teachers and parents.

Criteria for **intellectually gifted** students-scores from two years considered.

- A. Current score - 97th percentile or above on nationally normed tests such as the Test of Nonverbal Intelligence (RAVEN)
- B. A second score of 90<sup>th</sup> percentile or above on a normed test.
- C. Behavioral, learning and/or performance information from teachers and parents.

If you have students you feel might fit this criteria or have special needs in this area, please indicate them below:
