| | beautiful way to tell a story. Using an upbeat music-video format, LeVar reveals some of the ways a story can be told. |
| VT F BAR | Reading Rainbow : Adventures of Taxi Dog |
| VT 027.573 ALI | Reading Rainbow: Alistair in Outer Space Alistair in Outer Space is a close encounter of the silliest kind. Alistair, that lovable, fastidious little boy, is on his way to return his books to the library when he is captured by a spaceship and whisked into space. His captors are two colorful and outlandish creatures called Goots. LeVar visits the Library of congress in the nation's capital and plunges into a treasure hunt through several library departments. |
| VT 115 ALI | Reading Rainbow: Alistair's Time Machine Alistair's Time Machine is a delightful story about a boy who builds his own time machine. Meet a wacky woman inventor from the Stone Age, Thomas Edison and a clever machine from the future that has its own surprises for LeVar. Viewers will also discover some children with creative inventions of their own, and take a look at some amusing inventions from the past that never quite made it into today's lifestyle. |
| VT 304.2 AND | Reading Rainbow: And Still The Turtle Watched Written by Sheila MacGill-Callahan and illustrated by Barry Moser, this Native American tale, And Still the Turtle Watched, recounts the timeless message of our responsibility to nature and our environment. LeVar explores various ways that children and adults are working together to protect and preserve the earth. Additional key words: bald eagle, wolves, bears |
| VT 331.2 REA | Reading Rainbow: Animal Cafe What really happens during the late night hours well into the wee hours of the morning? That's what Maxell pondered one morning when he found the food on his shop shelves had vanishe overnight, and his cash register was "stuffed full of money". LeVar burns the midnight oil in the city that never sleeps, New York. Additional key words: bats |
| VT 700 APP | Reading Rainbow: Appelemando's Dreams The story of a little boy who uses his dreams to create colorful images that brighten the world for himself and his friends. LeVar demonstrates fun and creative ways to spark the imagination and inspire the artist in all of us. |
| VT 302 ARC | Reading Rainbow: Archibald Frisby LeVar takes viewers on a 'tale-spinning ride, when he climbs aboard the Great American Scream Machine, at New Jersey's Six Flags Great Adventure Amusement Park and explores the humorous adventures of Archibald Frisby, written by Michael Chesworth and narrated by Arnold Stang. LeVar takes a scientific approach to winning park games, and shows that with the right questions and a little experimentation, an easy solution is always close at hand. |
| VT 808.8 ART | Reading Rainbow: Arthur's Eyes In this video LeVar explores many different ways of perceiving the world, by using all of his senses. Bill Cosby narrates the feature book about a boy named Arthur who needs glasses to help him see. Maya Angelou reads a poem from All the Color of the Race. Additional key words; insight, communication, Braille, mime, sign language. |
| VT 128 BAD | Reading Rainbow: Badger's Parting Gifts Badger's friends are sad when he dies, but they treasure the legacies he left them. Keywords: remembrance, death, late, passed on, bereavement. |

| CALL NUMBER | TITLE |
|---------------|--|
| 793.31 | Reading Rainbow: Barn dance Roy Clark reads the featured book Barn dance about a magical time when animals hold a hoedown in the barn. Host LeVar Burton goes to an old-fashioned barn dance, learns how a fiddle is made and learns something about clogging. The reviewed books are The old banjo by Dennis Haseley, I like the music by Leah Komaiko, and Half a moon and one whole star by Crescent Dragonwagon. |
| VT E Kel | Reading Rainbow: Best friends Your child will discover the simplicity of prayer. They will be introduced to the idea that prayer is simply talking to God. Created with entertaining live action and charming animation and woven together with original music. |

| VT F BRU | Reading Rainbow : Brush |
| VT 581.5 DES | Reading Rainbow: Desert Giant - World of the Saguaro Cactus |
| VT 305.5 FOL | Reading Rainbow: Follow The Drinking Gourd Based on the song Follow the Drinkin g Gourd, with story and pictures by Jeanette Winter and narration by Keith David, this program explores an infamous chapter in America's history. As he celebrates the road to freedom paved by the Underground Railroad, LeVar Burton introduces viewers to the history, hereos, stories and music of the African-American culture which emerged from slavery. Additional Key words: freedom, spirituals. |
| VT 551.2 HIL | Reading Rainbow: Hill of Fire Rumbling earthquakes, molten lava, fountains of fire--a volcano is born in a poor farmer's corn field in the feature book, Hill of Fire, narrated by Fernando Escandon. Written by Thomas P. Lewis, Hill of Fire is based on the true story of the eruption of Paricutin volcano in Mexico. At Volcanoes National Park in Hawaii, LeVar is perched 2,000 feet from a major eruption of Kilauea Volcano. For this show, Reading Rainbow's crew captured spectacular original footage of Kilauea's eruption in March 1985. Additional key words: geology, pottery. |
| VT 781.65 HIP | Reading Rainbow: Hip Cat Hip Cat, written by Jonathan London and illustrated by Woodleigh Hubbard, explores America's most original music form, Jazz! LeVar becomes a "hip cat," hanging out with the musicians while they experiment with the cool, melodic sounds of jazz. Highlighted is a jazz saxophonist, Joshua Redman, who discusses the influence that music has had on his life and how he uses music to communicate with the world. Additional key words: instrument repair, improvisation |
| VT E HOT | Reading Rainbow : Hot-Air Henry |
| VT 599.5 HUM | Reading Rainbow: Humphrey The Lost Whale Based on the journey of a California humpback whale, Humphey the Lost Whale: A True Story by Wendy Tokuda and Richard Hall, illustrations by Yanoko Wakiyama, follows the amazing journey of "wrong-way" Humphrey as he finds his way back to the sea with the help of some friends. Humphrey's story, read by Jane Pauley, inspires LeVar to spend the day at sea on a whale-watching adventure where he uncovers some of the mysteries of the majestic humpback whale. Additional key words: extinction, migration. |

|---------------|--|
| VT 577.69 JAC | <p>Reading Rainbow: Jack, The Seal and The Sea Jack, the Seal and the Sea by Gerald Aschenbrenner, is the story of a man who, after finding an ailing seal, can no longer ignore the sorry state of our world's seas. Inspired by this moving book, host LeVar Burton goes on a Discovery Voyage in the San Francisco Bay to learn more about the preservation of our water and the oceans. Viewers also get a first-hand look at the clean-up effort after a disastrous oil spill in Alaska. Additional key words: marine ecology, Exxon Valdez, conservation</p> |
| VT 362.4 KNO | <p>Reading Rainbow: Knots On a Counting Rope It's a test of LeVar's courage when he chooses to camp out all night alone in the wilderness. He is inspired by the book, Knots on a Counting Rope, by Bill Martin Jr. and John Archambault, illustrated by Ted Rand, a native American tale about a young boy's emerging confidence facing his greatest challenge--his blindness. Viewers will also be inspired by a segment featuring Bree Walker, a TV reporter who overcame the obstacle of physical deformity. Additional key words: news anchor, personal achievement</p> |
| VT 306.87 LIT | <p>Reading Rainbow: Little Nino's Pizzeria Tony loves helping his dad make pizza at their family restaurant, until his dad decides to open up a fancy new restaurant instead. Tony seems to always be in the way at the new restaurant until his father has a change of heart and realizes he just cannot stay away from his yummy pizza. Inspired by the book, host LeVar Burton decides to make a pizza on his own, but what he doesn't know is that his ordinary pizza pie has to feed an entire basketball team. Additional key words: fireworks</p> |
| VT E LOU | <p>Reading Rainbow: Louis the Fish</p> |
| VT F MAM | <p>Reading Rainbow: Mama don't allow</p> |
| VT 636.2 MEA | <p>Reading Rainbow: Meanwhile Back At The Ranch While rancher Hicks drives to Sleepy Gulch, he misses a very eventful, surprise-filled day back home. LeVar experiences the Old West as he rides a stagecoach across the Arizona desert and visits Old Tucson, an authentic Western town. He also gets a taste of life as a cowboy when he dons true Western garb, complete with spurs, chaps and an official ten-gallon hat. As an added treat, viewers meet a talented stunt woman who demonstrates rope tricks and thrilling stunts on horseback. Additional key words: horses, costumes</p> |
| VT 393 MUM | <p>Reading Rainbow: Mummies Made In Egypt Viewers are invited to take an in-depth look at the ancient and fascinating world of mummies in Mummies Made in Egypt by Alike. LeVar visits the Boston Museum of Fine Arts where the art of conserving Egyptian artifacts is explored. Through the use of CT scan technology, viewers also see what a mummy looks like after thousands of years. Additional words: camel, cat, desert, hieroglyphs, forensic art</p> |
| VT 531 MYL | <p>Reading Rainbow: My Life With The Wave A sheer magical tale about a boy who brings home a wave is based on a story by Octavio Paz, adapted by Catherine Cowan, illustrated by Broadway actor Scott Irby-Ranniar. LeVar explores the beauty and fascination of water, the rhythm and energy of waves, and visits people who are fulfilling the dream to save endangered sea life. Additional key words: surfing, manatee, coral reef, sand sculpture</p> |
| VT 535 MYS | <p>Reading Rainbow: My Shadow</p> |

- | CALL NUMBER | TITLE |
|----------------------|---|
| | My Shadow, written by Robert Louis Stevenson, illustrated by Ted Rand and narrated by Robert Guillaume, examines our fascination with light and shadows: how they create such beautiful imagery together. LeVar demonstrates how light and shadow can be used to tell the time, and even gets some fun lessons on the art of creating shadow puppets, as he sheds a little light on shadows. Additional key words: sun dial, photons, photography, animation |
| VT 507 NOS | Reading Rainbow: Nosey Mrs. Rat When does a healthy curiosity become annoyingly noseey? Nosey Mrs. Rat, written by Jeffrey Allen, illustrated by James Marshall and narrated by Faith Prince, takes a humorous look at snooping around, and shows how an investigative mind can lead to great discoveries. In an informative interview, primatologist Dr. Jane Goodall explains how her own curiosity helped her become a leading scientist in the study of primates. |
| VT 582.16 ONC | Reading Rainbow: Once There Was A Tree Once There Was A Tree, written by Natalia Romanova, illustrated by Gennady Spirin and narrated by Eli Wallach, beautifully weaves together the important relationship among all living things, and our dependence on trees for food, shelter and the air we breathe. LeVar explores the magnificent life cycle of trees in the forest and their importance to humans, animals and the planet. Additional key words: New England, sugar maple, photosynthesis, maple syrup |
| VT 152.14 OPT | Reading Rainbow: Opt: An Illusionary Tale Seeing isn't always believing, especially in a book called Opt: An Illusionary Tale. Join LeVar as he enters the pages of Opt and walks through a world made up of optical illusions. Viewers will see for themselves how the eye can be fooled, and meet a talented painter who specializes in art that tricks the eye. Additional key words: animal camouflage, trompel'oeil |
| VT 302 OUR | Reading Rainbow: Our Big Home LeVar hosts this Reading Rainbow field trip, presenting the concepts of international cooperation, sharing and volunteering. Visits the United Nations and then introduces Craig Kielburger, the teenage founder of Kids Can Free the Children, a global youth group totally run by kids. Explains how the library can be a place to find out about volunteering. Poem describes that water, air, rain, soil, sky, sun, and more are shared by all living creatures on Earth. |
| VT 591.7 RAC | Reading Rainbow: Raccoons And Ripe Corn Jim Arnosky's books, Raccoons and Ripe corn, Deer At the Brook and Come Out, Muskrats provide the inspiration for host LeVar Burton to learn about wildlife watching. He joins Jim Arnosky and finds out how to play detective in the wild. Grab your binoculars, grab your waders and you're off in search of wild animals. Teeth marks on twigs are a good sign that beavers are nearby. Look closely at the tree trunks, you might see tiny porcupine claw marks, Raccoon paw prints tell if they were drinking from the brook or just passing by. If you keep our eyes open and listen closely, you could become a wildlife detective yourself! Additional key words: woodlands, naturalist |
| VT 636.5 REC | Reading Rainbow: Rechenka's Eggs An egg-ceptional show! Host LeVar Burton finds out that an egg is everything it's cracked up to be...and more. Viewers will gain a new appreciation for the egg, in art and nature. Patricia Polacco, the author/illustrator of Rechenka's Eggs, demonstrates the traditional Ukrainian egg-painting art called pysanky. Additional key words: ducks, geese, hatching |
| VT 155.2 REG | Reading Rainbow: Regina's Big Mistake Regina is so afraid of making a mistake on her art project that she won't even pick up a crayon to get started. Regina's Big Mistake, written by Marissa Moss, explores some of the ways that |

| VT 686 SIM | Reading Rainbow : Simon's Book This magical tale is written by Henril Drescher, for grades K-3. It is the story of Simon, who has made the mistake of going to bed while an unfinished drawing of himself under attack by a creepy monster is still on his drawing pad. |
| VT 790 SPO | Reading Rainbow: Sports Pages Host LeVar Burton sweats it out on the basketball court, in the weight room, and on a bicycle built for three during Sports Pages. LeVar shares his enthusiasm for athletics when he takes viewers from sport to sport--including soccer, basketball, ice skating, swimming, and gymnastics. The emotions and feelings of each sport are explored when we meet a variety of young athletes who, through determination and perseverance, express the joy of participating in sports. Additional key words: Olympics |
| VT 622 SUN | Reading Rainbow: Sunken Treasure An old treasure map leads host LeVar Burton on an exciting treasure hunt at "Pirates Cove" in California. Inspired by Sunken Treasure, by Gail Gibbons, read by Robert Morse, he uses every device known to man to find a treasure, including a trusty bloodhound. Viewers also meet Dr. Robert Ballard of the Woods Hole Oceanographic Institution of Massachusetts, who, by using science and technology, located and explored the most famous shipwreck in history: the Titanic. Additional key words: underwater exploration, deepsea diving, metal detector, submarine |
| VT 646.7 LAD | Reading Rainbow: The Lady With The Ship On Her Head Join host LeVar Burton as anchor of a wild and wacky news report, Headline News - all the news from the neck up! Inspired by the Lady With the Ship on Her Head, viewers will visit the biggest barbership in the world and get a look at a music video. Additional key words: humor, interview, hair styles. |
| VT 551.44 MAG | Reading Rainbow: The Magic School Bus Inside The Earth The Magic School Bus Inside the Earth, Joanna Cole, illustrated by Bruce Degen, is a hilarious science adventure that follows a quirky teacher and her students on a field trip they'll never forget. LeVar goes on his own adventure when he visits California caverns and explores the mysterious world inside the earth. Viewers see and learn about stalagmites, stalactites and many other exciting crystal formations, while LeVar experiences the thrill of "spelunking" (cave exploring) with a real-life cave expert. |
| VT 636.2 MIL | Reading Rainbow: The Milk Makers Its' fresh and cold, foamy and white, and one of nature's most nutritious foods -- milk! Thanks to The Milk Makers, everyone learns how this delicious treat travels from a dairy cow to the neighborhood supermarket. Host LeVar Burton visits California's dairy country and gets a lesson on how to milk a cow by hand and an introduction to the modern way of milking and feeding 600 cows. Additional key words: cheese, nutrition, ice cream |

| VT 791.43 PIG | Reading Rainbow: The Piggy In The Puddle LeVar takes viewers behind the scenes as The Piggy in the Puddle is brought to life through the art of clay animation. From painting and sculpting the characters, to the painstaking process of filming the action frame by frame, the secrets of "claymation" are revealed. Additional key words: story telling |
| VT 641.5 ROB | Reading Rainbow: The Robbery At The Diamond Dog Diner Can a talkative chicken named Gloria Feathers outwit a couple of Diamond Robber Mutts? This story unfolds in The Robbery at the Diamond Dog Diner, narrated by Peter Falk. Host LeVar Burton goes behind the grill at Rosie's Diner and gets a quick lesson on becoming a short-order cook. Viewers also get a close-up look at how pasta is made. |
| VT 305.23 TIN | Reading Rainbow: The Tin Forest Features the children of school P.S. 234 that is located in the neighborhood next to Ground Zero. The children express their feelings about September 11th, how the event has changed them and how grateful they are for all the gifts the school received from around the world. In the book by Helen Ward, a lonely old man who lives in an area of other peoples' discards dreams of a forest. He finally builds one of tin. One visiting bird sets off a chain reaction that turns the tin forest into a real one. Both situations reflect the theme of turning a gray wasteland into something beautiful. |
| VT 362.73 THR | Reading Rainbow: Through Moon and Stars and Night Skies Through Moon and Stars and Night Skies is a tender story about a family formed through adoption. People everywhere talk about the ups and downs of life as fathers, mothers, sisters, brothers and more. It's a show everyone can "relate" to! |
| VT 153.8 UNC | Reading Rainbow: Uncle Jed's Barber Shop Uncle Jed's Barber Shop, written by Margaree King Mitchell, illustrated by James Ransome and narrated by Regina Taylor, demonstrates that determination, faith and a little help from others can make any dream attainable. Also featured is the musical group, The Persuasions. Additional key words: horses, veterinarian |
| VT 304.8 WAT | Reading Rainbow: Watch The Stars Come Out Inspired by the featured book, Watch the Stars Come Out, host LeVar Burton explores the plight of the many courageous immigrants who came to America filled with hopes and dreams as they descended upon Ellis Island. He also comes face-to-face with Lady Liberty herself, and finds out about why and how she's been restored. Additional key words: New York, Statue of Liberty |

| VT 709.73 | The Dream Keepers Part 4 Part 1. Lift every voice--This video looks at the trials and triumphs of the first generation of African-American artists born to freedom. Bert Williams and George Walker forge careers as vaudeville stars. Performing within a racist minstrel tradition, they nonetheless make a living as black artists, infusing minstrelsy with genuine elements of black culture. In New Orleans, talented musicians create the innovative and exuberant sounds of ragtime and jazz, music that comes to be identified as quintessentially American. And a powerful new medium - film - allows Oscar Micheaux to make motion pictures that present the complexities of African American life at a time when many white filmmakers were promoting dangerous racial stereotypes. |
| VT 709.73 | The Freedom you will take I'll make me a world profiles Afro-American musicians, artists and authors throughout twentieth century America. |
| VT 709.73 AME | The promised land - American visions ; a Planet 24 production in association with BBC Television ; a Time Inc.-BBC co-production ; produced in association with Thirteen/WNET Presents a glimpse of American history through its visual art, painting, sculpture, architecture and monuments.
