

Oak Heights Elementary Has Partnered with Click. Buy. Help.!

Do You Shop Online?

Now you can earn a donation for Oak Heights every time you do. Click. Buy. Help. will make a donation with every purchase that originates from our page on the Click. Buy. Help. web site. We've started with Amazon, but thousands of online merchants are available - be sure to suggest your favorites!

How Does It Work?

It's very simple. Always start your online shopping from our page at <http://www.clickbuyhelp.org/oakheights/>. Just click on the Amazon logo to jump directly to Amazon. Log in as yourself and make your regular purchases. That's it! Click. Buy. Help. does not collect any personal information - all you have to do is start from our page.

Anyone Can Help!

Be sure to share the Oak Heights link with all your family and friends. Anyone can help and they don't even need to live in the Sweet Home area. Uncle Bob in Boise? Aunt Sarah in Springfield? How about cousin Dave in Denver? They can all help through their regular online shopping - they just need to start from our page!
