

Talented and Gifted Referral Form

A screening pool of students is developed from teachers, parents and by test scores from nationally normed tests given in the district such as Oregon State Testing (Smarter Balance) or the RAVEN Test of Non-Verbal Intelligence. By Oregon State Mandate, we identify **academically talented** students and/or **intellectually gifted** students by multiple criteria.

Criteria for **academically talented** students –scores from the last two years are considered.

- A. Current score – 97th percentile or above on nationally normed tests such as the Oregon State test in Total Reading and Total Math.
- B. A second score of 90th percentile or above on a normed test.
- C. Behavioral, learning and/or performance information from teachers and parents.

Criteria for **intellectually talented** students –scores from the last two years are considered.

- A. Current score – 97th percentile or above on nationally normed tests such as the RAVEN Test of Non-Verbal Intelligence
- B. A second score of 90th percentile or above on a normed test.
- C. Behavioral, learning and/or performance information from teachers and parents.

If you have students you feel might fit these criteria or have special needs in this area, please indicate them below:
