We will have our Math and Science Night this month on the 2nd. It will run from 5:30-7:00 and involve many stations and games. This free night will also have an egg drop where students can test their engineering skills. This will be a great time. We hope to see you there!

May is a busy month for academics as well. Students in grades 3-6 are beginning the Smarter Balanced Assessment. You can help by making sure your student is on time to school each day. We appreciate your support.

Outdoor School is happening for all 5th and 6th graders. It will take place May 28-May 31st. This is a wonderful experience for all students. They will have the opportunity to learn about science, math, language arts, and other topics outside the classroom. We expect students to meet all necessary academic and behavioral requirements prior to Outdoor School. Please call the office if you have any questions.
