FREE BREAKFAST & LUNCH FOR ALL ELEMENTARY STUDENTS IN SWEET HOME SCHOOL DISTRICT. This year Sweet Home School District Elementary schools are qualified to participate in a new program funded by USDA called the Community Eligibility Program. There is no application necessary for your elementary age children.

Extra Milk may be purchased for .40 cents. However an inexpensive alternative for those that prefer to pack their own lunches: Encourage your student to go to the salad bar, select a fruit and a vegetable along with milk. This constitutes a reimbursable lunch and makes the milk and other items free. Because we are operating as Offer vs Serve, students are only required to take 3 of the 5 items offered to make a reimbursable lunch.

Our school district provides one free breakfast for each student enrolled.

WE MAKE EVERY EFFORT TO HAVE ALL MENUED ITEMS AVAILABLE EACH DAY. However, due to forecasting, cost controls, & efforts to control waste, some food items may run out by the time your child makes his/her selections. Should your child not receive their desired item, they can ask for an alternate choice. We apologize for the inconvenience.
