This year Sweet Home School District schools are qualified to participate in a new program funded by USDA called the **Community Eligibility Program**. There is no application necessary for your elementary age children. Extra Milk may be purchased for .40 cents. Encourage your student to go to the salad bar, select a fruit and a vegetable along with milk. This constitutes a reimbursable lunch and makes your milk and other items free. Because we are operating as Offer vs Serve, students are only required to take 3 of the 5 items offered to make a reimbursable lunch. One item se e ted must be at east 1/2 up fruit/vegetab e.
