

Draft goals for each strategic plan domain

Outstanding achievement: Offer an academically challenging experience, celebrating individual excellence.

The board will allocate resources for staff professional development that aligns with the goals of the strategic plan, based on the superintendent's recommendations, increasing programming, electives, and alternative education options.

Thriving citizen: Champion success, unlocking each student's full potential.

The board will increase visibility in the community by attending district and students events during the 2018-19 school year.

Thriving community: Promote seamless partnerships where students, staff, and community members feel connected.

The board will identify at least three new ways of engaging the community, and implement those pathways in the 2018-19 school year.

Safe, welcoming facilities and services: Provide a learning atmosphere that prepares students for an ever-changing world.

The board will receive regular updates on bond activities and provide appropriate oversight of bond expenditures, aligned with the bond implementation plan.
