## Student Internet Use Agreement

Permission is valid as long as the student remains at the school attended when permission was given. Permission must be renewed if, and when, the student moves to another school.

A parent/guardian may revoke this permission at any time with written notification to the school.

Following you will find information that must be reviewed. It is required that this completed, signed agreement be returned prior to your student being allowed or denied access to the internet.

Pare	nt/Guardian Section
I have read the district's Electronic Communications System policy and administrative regulation. I will monitor my student's use of the system and his/her potential access to the world-wide Internet and will accept responsibility for supervision in that regard if and when my student's use is not in a school setting.	
	I give my permission for my student to access networked computer services such as electronic mail and the internet through district approved access.
	I DO NOT give my permission for my student to access the district's networked computer services.
In consideration for the privilege of using the district's Electronic Communications System and in consideration for having access to the public networks, I hereby release the district, its personnel and any institutions with which it is affiliated, from any and all claims and damages of any nature arising from use of, or inability to use, the district system, including, but not limited to, claims that may arise from the unauthorized use of the system to purchase products or services. I understand a user can be held liable for damages caused by intentional misuse of the system.
