The Kite

from

Days with Frog and Toad

by Arnold Lobel

ESSENTIAL QUESTION

How can weather
change your day?

The Kite

Frog and Toad went out
to fly a kite.

They went to a **large** meadow
where the wind was strong.

“Our kite will fly up and up,”
said Frog.

“It will fly all the way up
to the top of the sky.”

“Toad,” said Frog,

“I will hold the **ball** of string.
You hold the kite and run.”

Toad ran across the meadow.

He ran as fast as his short legs
could carry him.

The kite went up in the air.

It fell to the ground with a bump.

Toad heard laughter.

Three robins were sitting in a bush.

“That kite will not fly,”
said the robins.

“You may as well give up.”

Toad ran back to Frog.

“Frog,” said Toad,

“this kite will not fly. I give up.”

ANALYZE THE TEXT

Story Structure What problem do Frog and Toad have?

“We must make a **second** try,” said Frog. “Wave the kite over your **head**. Perhaps that will make it fly.”

Toad ran back across the meadow.
He waved the kite over his head.

The kite went up in the air
and then fell down with a thud.
“What a joke!” said the robins.
“That kite will never
get off the ground.”

Toad ran back to Frog.
“This kite is a joke,” he said.
“It will never get off the ground.”
“We have to make
a third try,” said Frog.
“Wave the kite over your head
and jump up and down.
Perhaps that will make it fly.”

Toad ran across the meadow again.
He waved the kite over his head.
He jumped up and down.
The kite went up in the air and
crashed down into the grass.

“That kite is junk,” said the robins.

“Throw it away and go home.”

Toad ran back to Frog.

“This kite is junk,” he said.

“I think we **should** throw
it away and go home.”

“Toad,” said Frog,
“we need one more try.
Wave the kite over your head.
Jump up and down
and shout UP KITE UP.”

Toad ran across the meadow.
He waved the kite over his head.
He jumped up and down.
He shouted, “UP KITE UP!”

The kite flew into the air.
It climbed higher and higher.
“We did it!” cried Toad.

“Yes,” said Frog.
“If a running try
did not work,
a running and waving try
did not work,
and a running, waving,
and jumping try
did not work,
I knew that
a running, waving, jumping,
and shouting try
just had to work.”

INFORMATIONAL TEXT

Read
Together

✓ GENRE

Informational text gives facts about a topic. Find facts about weather in this article.

✓ TEXT FOCUS

A **graph** is a drawing that uses numbers, colors, pictures, or symbols to give information. What does the graph on p. 108 show?

Measuring Weather

There are different tools for measuring weather.

Have you ever heard of a windsock? It shows which way the wind blows.

A rain gauge measures how much rain falls. A large storm will bring a lot of rain.

A thermometer measures temperature. Temperature is how warm or cool something is.

On a hot day, you and your friends might like to ride bikes or play ball.

On a cold day, you might want to put on a coat and play in the leaves or build a snowman.

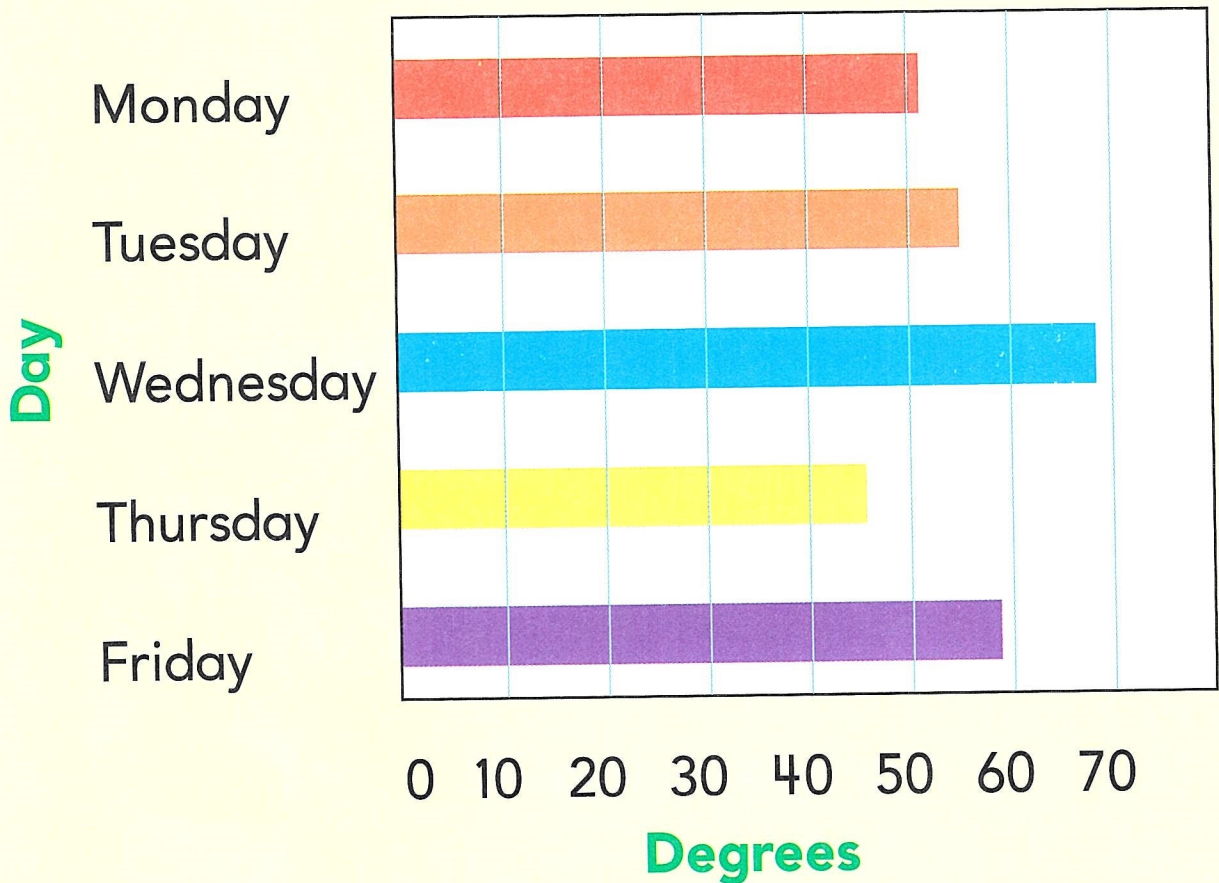

When you know the temperature, you know what to wear.

Look at the bars across the graph.
Each bar shows the temperature for a day.

Which day was the hottest? Which day
was the coolest? What was the temperature
on the second day of the week?

Read
Together

Taste	We ate sweet berries before we flew kites.
Smell	The air smelled fresh and clean .
Sound	We gave a loud cheer when our kites flew up!
Feel	The warm sun shined down on us.

Try This!

Work with a partner. Find the adjective in each sentence. Decide if it tells how something tastes, smells, sounds, or feels. Then use the adjective in a new sentence.

1. Sam shared his sour pickles at our picnic.
2. Our kites flew in the cool breeze.
3. Some crickets made noisy chirps.
4. We ate some salty chips.
5. Our pie smelled delicious!

Connect Grammar to Writing

When you revise your writing, look for places to add adjectives to tell how things taste, smell, sound, or feel.

Opinion Writing

 **Elaboration** When you write **opinion sentences**, don't keep using the same words. Use different words to tell more.

laughed at Frog and Toad.
They ~~did mean things.~~
