Let your Dreams take Flight

Holley Newsletter

Safety Drills:

We will be doing drills monthly throughout the year. Each month we focus on teaching and practicing different drills. We practice fire, earthquake, lockdown and evacuation drills.

Birthday Celebrations

To minimize classroom disruptions and still allow students to

celebrate birthdays, we will celebrate once per month. Students are welcome to bring commercially prepared food items at 2:00 pm on the last Friday of each month.

Flash Alert

We are using FlashAlert to communicate any potential weather related school delays or cancellations. You are now able to self-register and manage up to five home or office email and/or cell phone text message addresses and receive emergency information just minutes after the School District posts it.

Message from the Principal- New Years Resolution

As we come back from Winter break, we have several goals as a school. One of the things we are doing is focusing on the Happiness Advantage. Kids will spend time in class going over Orange Frog lessons each week. Being orange is being someone who has a mindset of positivity, gratitude and happiness. We show our support for Spark by wearing Orange every Wednesday. By wearing Orange we are reminding kids to be like Spark. Happiness is a choice and we want our kids to choose happy.
