Attendance Matters!

Attendance is the most important factor when it comes to a student's success in school. In October, we had an attendance rate of 89%. Our goal as a school is 95%.

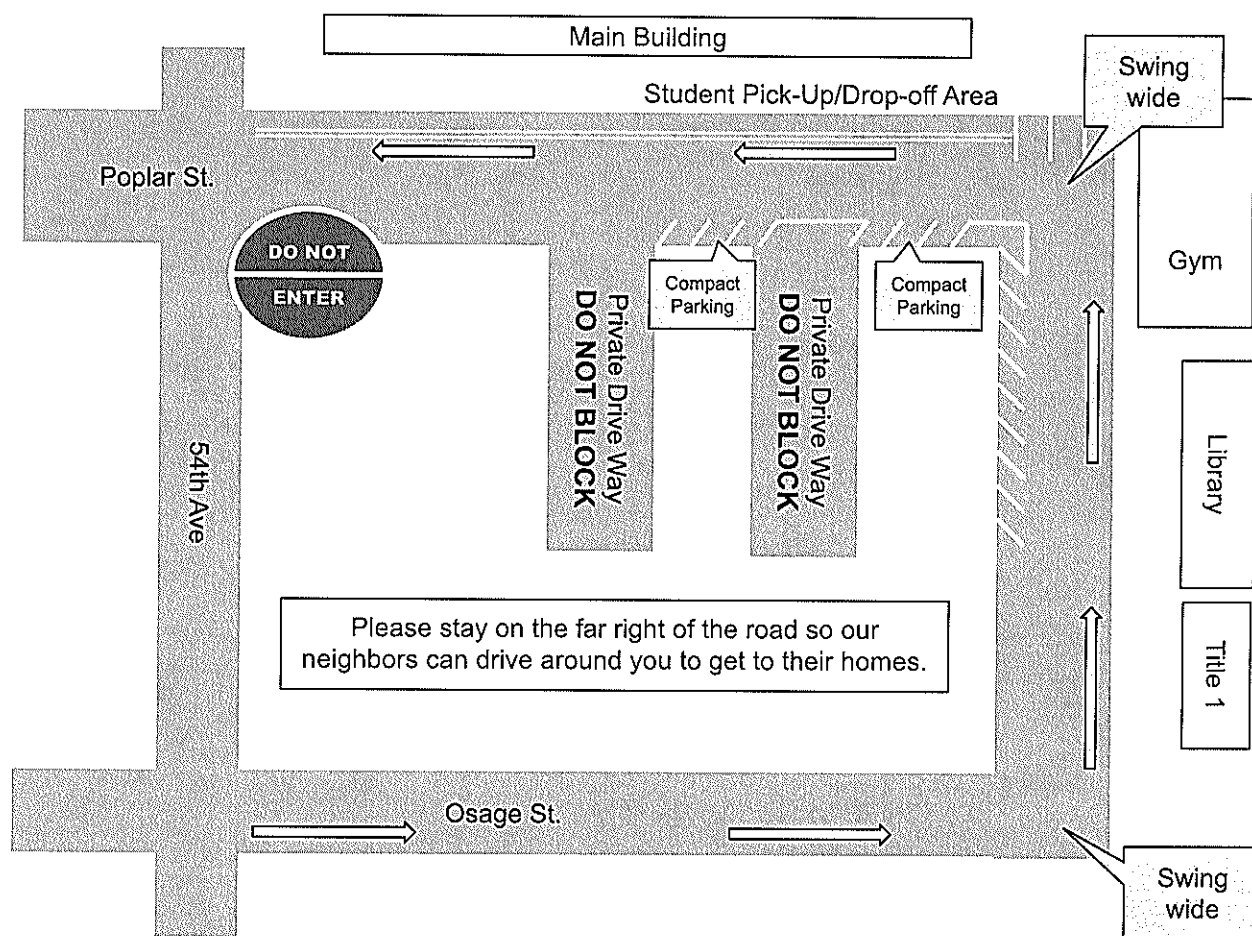

Congratulations to our attendance winners for October;

Mrs. Quest took 3rd with 91.0%,
Mrs. Clark took 2nd with 91.2 %,
Mrs. Griffin took 1st with 92.8%.

MEMO: To Foster Parents who pick up or drop off their children:

We need to ask all of our Foster parents who pick up or drop off their children for some help. Our neighbors who share the road that we use during this time need help getting to their homes during our pick-up and drop-off times. If we could please follow these guidelines, it would help us share the road and help keep our students safe.

- As you enter Osage Street, hug the right side of the road. Continue to hug the right side all the way around the loop.
- Be careful not to block driveways when you stop or park.
- Only compact cars should park on the more narrow part of the loop that is in front of the main building.
- Swing wide around the corners.
- Do not enter the loop from Poplar Street.
