Dear Nate Tyler,

I am writing to inform you that I am resigning my position as Math Teacher effective upon the soonest date that can be agreed upon to prevent adverse action which was agreed to be the 22nd of March 2024. The excessive workload, student behaviors, and commute make it clear that I am not a good fit for the math position at Sweet Home Junior High. To: Julie Emmert <julie.emmert@sweethome.k12.or.us>, Ralph Brown <ralph.brown@sweethome.k12.or.us>

Dear Julie and Ralph,

Please accept this letter as notice of my resignation as High School Science Teacher at Sweethome High School, effective at the end of the 2023-2024 school year.

This summer, my husband and I plan to move to a different part of the state once he completes his university degree. I have greatly enjoyed my time at Sweethome High School, and I am very happy that I was able to be a part of this community, even for a short period of time.

The Science Department and admin team at Sweethome has been extremely helpful to me as a first year teacher, and I am confident that they will continue to thrive into the future. Thank you for the support and confidence you have given me.

Sincerely,

Rebecca P. Raab

7B – RESOLUTION #2324-2

Resolution

As outlined in statute, at least 90% of the annual State School Fund (SSF), property tax and other qualifying resources allocated to LBL will be expended on resolution services. The Local Service Plan is developed with the State School fund biennium budget. Districts review and approve the Local Service Plan on an annual basis. Services will be provided on a two-tiered basis.

Tier 1 Resolution Services

Tier 1 includes services that are available to all 12 districts and are determined as being essential to all districts. The emphasis in Tier 1 is on achieving the greatest economies of scale and assuring equity of access. Tier 1 services are fully funded from the 90% SSF allocation. Service decisions are made for a two year period.

Tier 2 Resolution Services

Once Tier 1 funds are allocated, the remaining balance is used for Tier 2 services. Tier 2 services are decided by districts on an annual basis. This allows LBL and its component school districts to stay within the constraints of the agreements, yet provide flexibility in the use of funds.

Transits

Up to 50% of the district's allocated Tier 2 resources may be used to acquire services from sources other than LBL if the service is not provided by LBL.

Statewide Education Initiatives Account (SEIA)

The SEIA grant provides funding to allow greater ESD support to districts. This includes the provision of technical assistance to districts in developing, implementing and reviewing a plan for receiving Student Investment Account grant money; and providing coordination with Oregon Department of Education in administering and providing technical assistance to districts, including coordinating any coaching programs. SEIA plans are adopted and amended as part of the Local Service Plan and approved by the Oregon Department of Education.

The Sweet Home School District is in agreement to have the Linn Benton Lincoln Education Service District provide the Local Service Plan for the 2024-2025 school year as presented.
