Be brief; please limit your responses to 50 words per question.

1. Describe in your own words the mission and goals of OSBA.
The mission and goals of the OSBA are an essential tie-in to our local school boards. By partnering and providing consultation to local boards on a wide variety of OSBA issues and positions we create a unity of effort which can better serve the wide diversity and aspirations for all of Oregon's students.

These skills have transitioned very well as coach and OSAA official, to instill in the kids I work with a sense of purpose, comradery, belonging and accepting victory or defeat with dignity and humility.

Second, I see a need to more effectively get stakeholders across the region involved and

6. What is your plan for communicating with boards in your region?

My initial plan for communication with Region 10 colleagues would be: First, make contact with every board member in the region through a general introduction aligned with OSBA mission and vision. Next, I will make it my goal to attend one or more school board meetings in every district within the region and use my 3-5 minutes or allotted time to introduce myself, what we do and how we assist the local boards.

Be brief; please limit your responses to 50 words per question.

1. Describe in your own words the mission and goals of OSBA.

OSBA serves as a resource for public education in Oregon. Through legislative political advocacy, policy development, and board education, OSBA works with local boards in ensuring they have tools to help support the success of their local districts. Each student in public education is touched by the work OSBA does.

2. What do you want to accomplish by serving on the OSBA board of directors?

I will bring the diverse perspectives and needs that exist in our region to the board as they make decisions that ultimately impact our local districts. I will also bring information to local boards highlighting the interconnectedness of our shared work in our region and statewide.

3. What leadership skills do you believe you bring to the board of directors? Give an example of a situation in which you demonstrated these skills.

I bring strategic planning, policy development, empathy, compassion, data analysis, community building, and facilitation skills. For example, I used these skills to explain budget processes to the community. This created better understanding about budget impacts and the limitations of board decisions on how operational funds are spent.

OSBA Board of Directors

4. What do you see as the two most challenging issues faced by OSBA?

I see the shift into new leadership as being something OSBA is facing, but also see this as an opportunity for the OSBA to continue to grow. The disinvestment in state funding for public education will present significant challenges for years to come.

5. What do you see as the two most challenging issues faced by your region?

Our region remains challenged with a large area that encompasses many types of needs due to how our region is situated, which can lead to disconnect between areas. Our region is challenged with rising costs of living impacting issues like housing and childcare, which heavily impact students, families, and staff.

6. What is your plan for communicating with boards in your region?

I will continue to communicate with board chairs to check in regarding their needs that should be brought to the OSBA board. I also plan to share information I learn from board meetings with our region regularly and be a resource to answer questions board members may have about OSBA.

Resolution to Amend the OSBA Dues Schedule

WHEREAS, the Oregon School Boards Association (OSBA) dues revenue as a percentage of OSBA's total revenues is declining. OSBA's dues revenue as a percentage of OSBA's operating costs to support the services OSBA provides to members is also declining;

WHEREAS, the percentage of dues revenue as a proportion of total association revenue has fallen 19.1 percent since the 1996-97 fiscal year to 6.4 percent of total association revenue. If dues do not increase, this percentage of total association revenue will continue to decline;

WHEREAS, the OSBA dues schedule has not increased since the 1998-99 fiscal year;

WHEREAS, OSBA retained The Coraggio Group to do an in-depth analysis of the value of the programs and services OSBA offers to its members and develop a 3-5 year sustainable business plan with member engagement;

WHEREAS, based on the survey data obtained by The Coraggio Group, OSBA members overwhelmingly agree that they receive great service for what they currently pay. Current annual member dues are as low as \$250. Given the costs associated with providing no cost or highly subsidized services available to members, \$250 is very low in comparison.

WHEREAS, The Coraggio Group in collaboration with OSBA staff, has recommended a phased increase in the dues schedule. This approach aims to provide financial stability for the organization and align the dues with other state associations, thereby enabling the association to continue offering its high-quality programs and services.

WHEREAS, the proposed dues increase, which was reviewed by the OSBA Finance Committee, and approved by the OSBA Board of Directors on June 15, 2024, supports the recommendation to amend the OSBA Dues Schedule.

THEREFORE, BE IT RESOLVED in recognition of the current financial situation of Oregon districts and the need for an OSBA dues adjustment, the OSBA Board of Directors recommends that the dues schedule be amended in a manner so that OSBA member school districts and education service districts (ESDs) paying more than \$1,500 annually will experience a dues increase of 15% annually for five consecutive years beginning in the 2025-2026 fiscal year. Beginning in the 2030-31 fiscal year, the dues will increase annually as a percentage in alignment with the Consumer Price Index;

THEREFORE, BE IT FURTHER RESOLVED, the OSBA Board of Directors recommends a membership dues floor be established at \$1,500 and a maximum dues rate of \$25,000 per fiscal year. For OSBA member school districts, ESDs, and community colleges who are below this floor, dues will increase \$250 per year until the floor is reached. For school districts and ESDs that reach the floor before the 2030-31 fiscal year, dues will increase by 15% per year until the 2030-31 fiscal year. Beginning in the 2030-31 fiscal year, dues for all school districts, ESDs, and community colleges will increase annually as a percentage in alignment with the Consumer Price Index.

BE IT FURTHER RESOLVED by the OSBA Board of Directors that the proposed amendments to the OSBA Dues Schedule be submitted to the membership for consideration during the 2024 OSBA election; and

BE IT FURTHER RESOLVED by the OSBA Board of Directors that the proposed amendments to the OSBA Dues Schedule and a copy of this resolution be forwarded to all OSBA member boards in accordance with the OSBA Board of Directors' adopted elections calendar.
