Holley Newsletter

Student Recognition:

Each month students have an opportunity to be recognized as an ESPY winner or as a Character Ambassador. This month our Character Ambassador focus is Kindness. Congratulations to our past winners and good luck to students this month.

Birthday Celebrations

If you would like to bring birthday treats for your child, please

check with their teacher in advance. Also, all food items brought to share need to be commercially prepared.

Flash Alert

We are using FlashAlert to communicate any potential weather related school delays or cancellations. You are now able to self-register and manage up to five home or office email and/or cell phone text message addresses and receive emergency information just minutes after the School District posts it.

Message from the Principal- Counselor's Appreciation Week

Practicing Gratitude is something that we focus on here at Holley. Something that I am grateful for is our wonderful counselor- Mrs. Sciscioli. Holley School is so very lucky to have her. Students and staff will be joining me in letting her know how great she is the week of February 3rd- February 7th. In addition to our school being so lucky to have Mrs. Sciscioli, we also receive support from our district counselor Mrs. Brown. They both do such a wonderful job supporting the school, having great relationships with staff and being amazing advocates for our students.

Schedule

School Schedule - M, T, TH, F - 7:45 - 2:15, W - 7:45 - 1:15.

Doors open at 7:30. Classrooms open up at 7:40. Tardy bell is at 7:45.

End of Day Pick-up

Due to the end-of-day congestion in our parking lot, we are making a small change to pick-up. With our tight parking, we are trying to stagger pick-up times. The hope is that this will improve our parking situation. Any 4th, 5th, or 6th grade students who do not have a younger sibling, won't come out of the building until 2:15. All other students will come out around 2:10 to be picked up. If you have older students please try to show up a little later. 5 minutes makes all the difference. As we make this adjustment please do your best to put safety first. Please do your part by being careful, patient, and considerate as we navigate the end of day.
